OUR SCHOOL COMMUNITY

We are fortunate to be part of an exceptional school community. With the support of our Parents' Association and Board of Management, our pupils enjoy excellent resources, a wide range of activities and opportunities to thrive both academically and personally.

Our school is at the heart of the community. Each class group actively builds links with local groups and organisations. To enrich our pupils' learning experiences, we regularly welcome visits from the emergency services, local businesses and charities, among others, giving pupils the chance to learn from and engage with the world around them.

DIGITAL LEARNING

Our school is fully implementing the Department of Education's Digital Strategy for Schools to 2027. We have two suites of iPads and a suite of Chromebooks to support the integration of ICT across lessons, helping our pupils make the most of their learning. Each classroom is also equipped with an Interactive Whiteboard. Through these resources, pupils develop valuable skills in research, typing and presentation, which will serve them well as they progress to second level education.

ABOUT OUR SCHOOL

Situated in the heart of Naas town, our school has been a cornerstone of education since its founding by the Mercy Order in 1839. Rooted in a proud tradition, we continue to grow and flourish as a vibrant learning community.

Currently a girls' school with infant boys, we are delighted to be transitioning to a fully co-educational school.

From September 2026, boys enrolled in Junior Infants will journey with us through to 6th Class.

At the heart of our ethos are the values of manners, equality, resilience, creativity and empathy, principles that guide our teaching, learning and everyday school life.

LOCATION

Located just behind the Church of Our Lady and St. David, only a short walk from Poplar Square, our school is easy to find. A large blue sign to the right of the Church clearly marks the entrance.

WHY CHOOSE OUR SCHOOL?

We're proud to offer a welcoming, inclusive school where every child can be happy and reach their potential. Our passionate staff work hard to make sure each student has the best possible experience, guided by the caring values of the Mercy tradition.

A GOOD BEGINNING
IS OF GREAT
IMPORTANCE

- Tarmac playing area
- Calm playing area
- 2 Playgrounds
- Sensory garden
- Geodesic dome
- School garden
- 10m Bike & scooter shelter
- 53 Carpark spaces

EXTRA-CURRICULAR

Our school has a proud tradition of offering a wide range of extracurricular activities that enrich every child's experience. Our dedicated staff volunteer their time to provide opportunities in sports such as camogie, football, basketball, swimming, soccer, tennis, rugby and athletics. We also have a strong tradition in the arts, with music, carol services, nativity plays and debating, as well as our school musical in the Moat Theatre, which we now stage every second year.

We also encourage student voice and leadership through active participation in school committees such as the Green Schools Committee, Active School Committee, Student Council and Creative Schools, to name just a few.

Our overall aim is simple: to give every pupil the chance to take part in a wide variety of experiences and activities, helping them to grow learn, and thrive during their time with us.
